SPECIFICATIONS: The following specifications are intended to describe a 35lb. Bunker Gear Washer/Extractor including shipping and installation for the Tyler Mountain Volunteer Fire Department. The details contained in these specifications are not designed to exclude any vendor from bidding, but are offered as a means of describing the needs of the Tyler Mountain Volunteer Fire Department. Where brand names may be used, the words "or equal" are assumed to follow. All specifications are minimum requirements.

SPECIFIC LINE ITEM REQUIREMENTS: Vendors must indicate compliance with these specifications on a line item basis by placing a check mark in the yes/no column corresponding to each line item. If a check mark is marked in the no column, then the vendor shall include a separate page titled "Exceptions" to insure proper bid analysis.
