Charleston, WV 25301

Leslie,

Please review the attached request for the Clendenin Police Department. We have comparison shopped and have found the best prices for this much needed equipment. The safety and well being of our officers as well as our town depends on the equipment in the request. Most of our current equipment, if we have it to begin with, is outdated and not working properly. Some of the requested items are either missing from the lack of inventory control over the years or was never purchased for the department to begin with.

We are requesting these items be paid for from the funds being discussed in the June 3, 2021, meeting at 10:00 am with the Kanawha County Commission. Myself and our Treasurer Roger Townsend will be in attendance of this meeting to discuss our options.

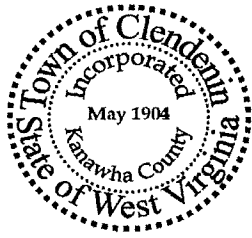

We appreciate all the support from the Commission that The Town of Clendenin has received over the years and hope to continue this relationship for years to come.

Thank you for your attention in this matter and I look forward to seeing you on June 3.
