Subject: RE: American Recue Plan Funds

Attorney for Union PSD, Wyatt Hannah called the week of April 20th, Union is currently working on a sewer upgrade project and wanted to inquire about ARP funds. Wyatt was told the request is premature as treasury guidance has not been released yet.

Subject: American Recue Plan Funds

As Jennifer Herrald advised in the Dept. Head Staff meeting this morning, she would like for me to keep track of all ARP funding requests from outside agencies, etc. so that we have one list for future reference. Please let your staff know too, that if they receive calls asking for funding from ARP funds, please send me the information. You may also forward calls to me if you wish.

Thank you!

Leslie Koepsel
