Dear Honorable W. Kent Carper, President, Kanawha County Commission, Honorable Ben Salango, and Honorable Lance Wheeler,

Elk River Community and Education Center of Elkview, WV, is a 501(c) (3) non-profit organization committed to making a difference in our Elk River communities. Like so many others, ERCEC was forced to shut down from March 15, 2020 through April 1, 2021, due to the pandemic, which severely affected our revenue. We are submitting an application for your consideration for reimbursement for lost revenue from the American Rescue Plan Funds. The revenue information that we are providing you is our only source of revenue except for yearly leasing of some rooms in our facility. We are requesting an amount of \$56,000.00, which would be our projected revenue loss for the year 2020, due to COVID-19. Please find attached revenue information for the years 2017 - 2019.

Thank you so much for your consideration of this application and any help that we might receive would be greatly appreciated. Please feel free to contact us if you have any questions.

Sincerely,

James "Jimmy" Huffman  
President
