American Rescue Plan Facilitator

Re: Kanawha Public Service District Request for Lost Revenue

Mr. Rubin,

Please allow this letter to serve as an official request for the reimbursement of loss revenue in the amount of \$242,592.75 to be granted by the Kanawha County Commission under the American Rescue Plan.

The amount above consists of past due balances of two customers whose arrearage were not eligible under the previous CARES act.

The Town of Pratt is behind in reimbursements for Operations and Maintenance Expenses to the Kanawha Public Service District in the amount of \$108,988.25. These amounts are reflected in unpaid invoices dating back to May of 2020. Please see the attached for an itemized statement.

The Town of Cedar Grove is behind on payments for the treatment of sewage which is derived from the Cities public sewage system which is treated by the Kanawha Public Service District's sewage treatment plant. The total amount owed by the city is \$133,604.50. A formal PSC case # 19-0684-PSD-WS-C resulted in an order mandating Cedar Grove to enact a rate ordinance to address previous arrearages. It was reported that COVID delayed the enactment of this ordinance as well as subsequent billing and collecting. For your convenience, an itemized statement is attached.

Your consideration in this matter is greatly appreciated. If you have any questions, please feel free to contact me at 304-941-4302.

Thank you,

Jacob Pack
Executive Director
