Project Summary

1. Brief description of the proposal

Provide Water to approximately 36 customers in the Crestwood area. 31 customers have already signed user agreements.

2. Purpose and key anticipated outcomes

Customers will have potable water for drinking and cooking and bathroom.

3. Individuals or communities served

Crestwood area of Kanawha County

4. How the COVID-19 pandemic has necessitated this request

These individuals are in need of water and especially during the pandemic so they won't have to depend on well water quality or cistern storage in a health crisis where quality, reliable drinking water is a must to insure a strong immune system.

5. Amount of funding requested

678,000

6. Amount of any bids or cost estimates received to date, if applicable

1,339,000

7a. Amount of matching funds raised or committed by your organization

661,000

7b. Source of matching funds raised or committed by your organization

\$ 500,000 from an IJDC grant and \$ 161,000 from West Virginia American Water (probable)

8. How ARP funds, if awarded, will be used

For the design and construction of the new water line to serve these 36 Crestwood residents.

9. How long it will take you to complete the project if awarded funding

18 months

Proposal Details

1. Please describe the problem or need which your project seeks to address

Crestwood residents do not have potable drinking water.

2. Please describe goals and expected outcomes of your proposal.

Crestwood residents would have reliable clean water.

3. Please provide your project timeline

Design 5 months; Construction 11 months; inspection and testing 2 months.

4. Please provide your project's total proposed budget.

\$ 1,339,000

5. Please list any partners in this proposal, and the partner's role and your relationship with them.

WV IJDC and WV American Water. IJDC will provide a \$500,000 grant and WV American Water will contribute \$ 161,000 (based on \$5,200 per user agreement and 31 user agreements). WV American Water will operate and maintain the new water supply systems.

6. Please describe your plan for sustainability of the project or initiative after the grant award has been exhausted.

WV American Water will operate and maintain the new water lines upon completion of the project.

Organization Information

1. Please provide your organization's mission statement.

Provide water to unserved areas of Kanawha County where economically feasible.

2. Describe the history of your organization, tell us about your current programs and activities

The RDA has overseen many water projects in Kanawha County. We have 2 active projects now: one at Standard Paint Creek and one at Olcott.

3. Please describe three significant accomplishments of your organization.

We have provided water to many unserved areas of Kanawha County.

4. Please list your Owner(s), Board of Directors, senior staff members, or other key members of your organization:

Bill Cunningham, RDA Board Chairman; Mike Reed, RDA Board Secretary. Other RDA members include: Belle Mayor Dave Fletcher; St. Albans Mayor Scott James; Dunbar Mayor Scott Elliott; Clendenin Mayor Kay Summers; Cedar Grove Mayor James Hudnall; City of Charleston representative Jane Bostic; Mike Reed; and Contractor Association President Mike Clowser, other Kanawha County mayors.

5. Please list the staff involved with this project and describe their roles and responsibilities:

Mark Sankoff and Terry Moran, Potesta & Associates - Engineering Design, Permitting, Bidding, Construction Observation Services.

7. List any federal, state, local or private grant awards or funding received in the last three years and the current status of those funds. If your organization has previously received funds from Kanawha County, please list the amount, nature of the project(s) and current status of the funding and project(s).

AML Funds for water projects in Standard Paint Creek (currently Bidding construction), Pentacre and Coalburg (completed projects)

8. If you have made an application for funding for this project from other sources (city, state, private or non-profit organizations) please list the same here.

No applications submitted yet. Kanawha County RDA has authorized preparation of this application.

Impact of the COVID-19 Pandemic

1. Please explain the impact of the COVID-19 pandemic and how it relates to your request.

COVID-19 makes the need for clean drinking water more important than ever. Unreliable water can damage the body's immune system and make one more susceptible for picking up the virus.

2. How will ARP funding, if awarded, aid in the recovery from the COVID-19 pandemic?

It will allow the citizens of Crestwood to finally have drinking water for their families. This will help them keep hydrated and maintain a healthy immune system.

3. Are you requesting lost revenue due to COVID-19

No

Supplementary Information

1. Please enter contact information (name, email, and phone) for at least one third-party reference.

Mark Sankoff - Potesta & Associates masankoff@potesta.com 304-342-1400

2. Please include any supplementary information or documentation (such as letters of support, newspaper articles, etc) which you feel will be essential to the County's review.
