## Impact of the COVID-19 Pandemic

**1. Please explain the impact of the COVID-19 pandemic and how it relates to your request.**

The Covid 19 Pandemic further alienated the small community of Campbells Creek from the outside world and workplace. Issue with internet, transportation, healthcare, and other issues made obtaining and maintaining employment virtually impossible. Through benefits of the Infrastructure Plan, many residents are now able to maintain employment but lack the training and skills needed to do so. We hope to provide the skills, training, and opportunities needed to advance our residents of this low income area in to the workplace, inperson and/or virtually.

**2. How will ARP funding, if awarded, aid in the recovery from the COVID-19 pandemic?**

The funding would allow us to provide much needed training and opportunities for those who have been alienated by the effects of the Covid-19 pandemic.

**3. Are you requesting lost revenue due to COVID-19**

No
