LOANS

West Virginia Code §3-8-5f Loans to candidates, organizations or persons for election purposes.

"No candidate, financial agent, person or association of persons or organization advocating or opposing the nomination or election of any candidate or the passage or defeat of any issue or item to be voted upon may receive any money or any other thing of value as a loan toward election expenses except from the candidate, his or her spouse or a lending institution. All loans shall be evidenced by a written agreement executed by the lender, whether the candidate, his or her spouse, or the lending institution. Such agreement shall state the date and amount of the loan, the terms, including interest and repayment schedule, and a description of the collateral, if any, and the full names and addresses of all parties to the agreement. A copy of the agreement shall be filed with the financial statement next required after the loan is executed."

The loan agreement must include all items asked for in the statute. The loan agreement does not have to follow a certain format; generally, if all required information is listed, any format is accepted.

Any money a candidates contributes to his or her campaign committee with the hope of repayment must be treated as a loan and reported in this section. When a candidate determines that no further repayments can be expected, the loan can be reported as repaid in the sections by entering the amount left to repay in the repayments column and reporting the came amount as a contribution from the candidate on Page 2.

How to Report Loans

- Each loan for your campaign must be listed on a separate line. Each time you loan money to the campaign, it is considered a separate loan. Include the following information on the form below:

Loans from previous reporting periods, and the balance of each loan;
 Any payments made on loans;
 New loans.

- Attach a copy of the loan agreement for every new loan received during this reporting period.
